# Who We Are

- Established in 2018, HOGIST is a bulk food aggregator platform with a mission to be a one-stop solution for the Food and Beverage needs of customers across the country.
- HOGIST is determined to revolutionize the Food Tech Industry by developing an online marketplace for bulk food ordering and delivery services that will cater to all food requirements from enterprises and individuals.
- For the first time in India, we have developed a unique technology-enabled marketplace where customers can order and relish a medley of tasty foods from different cuisines delivered directly to the customers' location with the utmost care, hygiene, and cleanliness.
- The word-of-mouth referrals are a testimony to the best-in-class service to our customers.

# VISION

- To be a leading marketplace for all bulk food requirements - providing hygienic & quality food with impeccable, versatile, and flexible customer service with consistency and presentation that will leave a memorable experience.
- To create a friendly and family-spirited team and ensure all who work with us have the appropriate tools to be their best in a cooperative and rewarding environment.
- To bring people together and create a lasting impact on our customers, our team, and the environment by delivering an exciting food experience.
- To give back and contribute to our community in whichever way we can.

# MISSION

- To create delicious, hygienic, entertaining food experiences at affordable prices with impeccable service in a professional, consistent, flexible, and timely manner catering to the requirements of groups of people - corporates and individuals.

# CORE VALUES

**EMPLOYEE FIRST** : We are serious about creating a productive, cooperative, safe & rewarding environment for our team.

**ETHICS** : We want to play a fair game and not make any compromises concerning integrity and ethics.

**EXTRA MILE** : While we want to maintain the highest levels of hygiene, taste, and customer service in our food experiences, we want to go that extra mile in delighting our customers.

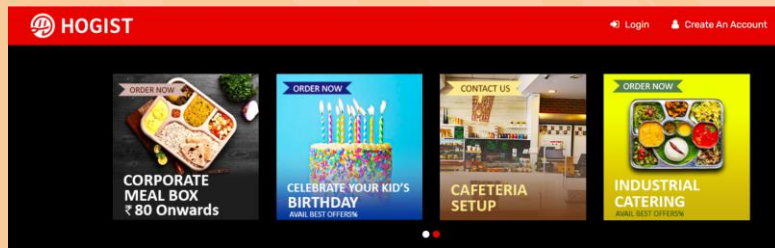

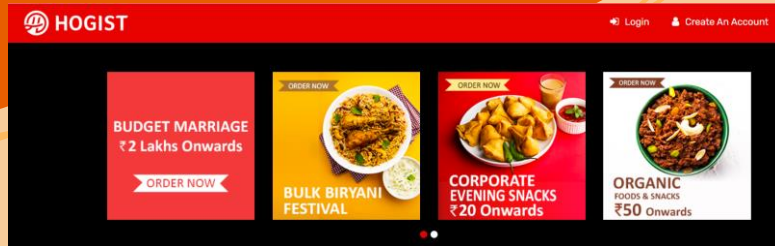

**ENTERTAINMENT** : Food is entertainment. Food is experience. Food is fun. We will always keep this in mind when we deliver our services.
